

SENSATIONAL SCHLEICH 'SET THE SCENE' SNAPSHOT

RODEO EXTRAVAGANZA!

WHAT AN EXTRAVAGANZA IT WAS....NEARLY CAUSING A COMPUTER MELT DOWN WITH ALL YOUR ENTRIES.

Truly model masterpieces.....thank you very much for providing so much enjoyment for the judges (they wanted you all to WIN). The set ups, the props and the work that went into each model was just wonderful! Very impressive indeed! CONGRATULATIONS to all of you who entered. It just goes to show how you let your imaginations run free over summer!

This comp seems to grow every year, so whilst we are so happy that you got out and expressed your creative talents, it does make our job extra hard.....so sorry we can't print them all.

And remember even if you didn't win, we would like to think you did enjoy creating this year's challenge.
