Coach's Comments

“ As a team and as an organisation we are pretty happy to have made it to an advanced round of a competition at this early stage of our league membership, and I think our guys should be proud of that achievement in and of itself. It is a pretty unusual situation where you end up playing a team that was in the same group, but that is the task we face with the reigning League and Cup champion Cardiff Devils. We have played them 3 times already so we know what kind of talent they have. Our objective, while challenging, is simple in principle; put in a quality performance over both legs of the quarter final, and then see how that works out for advancement. Regardless of what happens, I think it is important that we all take in the experience as part of our growth as a team heading into the back half of the season and the push for a playoff spot. We hope that you can get out to support us on Wednesday night at Spectrum, and hopefully we can close the 1st leg in a good position to hold advancement hopes. ”

Fife Flyers, Saturday, December 23rd, 6pm, League

How they got here...

Devils and Flames have played twice so far this season in Challenge Cup action, each in the group stage of the competition with Surrey's side taking both contests, an 8-4 home win on September 10th and a 3-2 overtime road success on October 14th. A 3rd head to head match up, in league play less than 2 weeks ago, went the way of the Welsh side when they picked up a 4-2 home win over the Flames. The clubs finished their respective group rounds each on 7 points from 3 wins and an extra time point across 6 games. The Devils, however, enter the quarter final as the higher seed on the basis of 3 regulation wins compared to 1 for the Flames.
