Coach's Comments

“ It was a pretty good accomplishment last weekend to have been successful on both nights of the Scottish trip. As I said after the 2nd game, when we were in the British National League we did the Scottish doubleheaders with regularity, but it was not all that often that we collected both wins. It certainly makes the long journey feel a lot more worthwhile and maybe even makes the return home feel that little bit shorter. With the Christmas schedule coming up we have had to combine this edition for the 23rd against Fife and the 27th against Milton Keynes. We have also had to do it prior to last night's Cup Quarter match against Cardiff so we hope to have been able to put in an effort that keeps our hopes alive for Leg 2, and advancing to the next round of the competition. Either way, however, our focus now is on League play that lies ahead; Friday in Manchester and then home to Fife Flyers on Saturday before trading visits with Milton Keynes on Boxing Day and the 27th. We have a lot of hockey coming up over a condensed period of time and 3 of 4 of those games are within the conference so there is a lot at stake. We are going to need to be sharp if we are hoping to bank some points. On behalf of everyone in the dressing room, and the entire Flames organisation, we thank you for joining us over the first half of the season, and we wish you all a very Merry Christmas and a Happy New Year. ”
