Coach's Comments

“ We don't often have back to back home games on Saturday and Sunday night but it is certainly a welcome event in the schedule especially after a few all day journeys to Scotland over the past few weeks. On Saturday we look forward to Dundee's visit back here and then Sunday is the first Belfast Giants stop at Spectrum since the 2004-2005 crossover season between British National League and Elite League. Last weekend was a big weekend not only getting a couple of wins but finally finding a way past Milton Keynes. They had been able to find a way to beat us on every occasion so far and we still see them a lot in conference and league play, and possibly even in advanced Cup play, so it is important that we have a tangible reference for knowing we are capable of beating them. We played very well on both nights and we felt like we were deserving winners on both occasions. Those are behind us now though, and we have a lot to do this weekend if we are going to get any points against our opponents. We hope you can join us for one or maybe both games, and hopefully we can send you home on the back of a good effort by our side. ”
