# Coach's Comments

“ This has been written prior to Wednesday's Cup Quarter Final 2nd leg at Cardiff, so we hope to be looking back on that game with an outcome that has put us into the final 4 of the competition. Going back a little earlier, it was a good evening on Saturday when we were able to get the win over the Devils in overtime, but a little disappointing on Sunday to not have followed up with a win. Other than the penalty trouble in the first period, we actually had a good night in Manchester. We played very well in the final 2 periods, and did a great job to get ourselves back into a position where winning the game was possible. Having said that, any time you fall 3-4 goals behind, you need a lot of things to go your way, in addition to just playing well, in order to generate points. The weekend ahead is a new opportunity and a couple of tough games with a conference match up against Coventry, who had success with a 4-1 win over us last time they visited in November, and another visit to reigning League champions and current table leaders, Cardiff Devils. ”
