Coach's Comments

“ We hope everyone had a good New Year celebration and that 2018 brings you everything you need. We already got the year started with a win when Edinburgh Capitals visited us on Tuesday night. It was good to close out a very busy holiday fixture schedule with a win. Cardiff will be here on Saturday night and then we will be at Manchester Sunday. We have had some great games against Devils this season, but lost our last visit to them on December 8th ahead of coming back to tie them at 3 goals each in the opening Cup quarter final leg. We visit them again on Wednesday night for the 2nd leg of that event, and then go back there on January 14th so in the space of about a week we have 9 big periods of hockey to play against the reigning League and Cup champs. In between we have a tall order at Storm. We have yet to win in their building so we are going to try to change that this time around, but that won't happen unless, to a man, we put in a solid effort for the duration which we did not do in late December when they rolled over us pretty easily. We are looking forward to the challenge ahead, and hope you enjoy sharing it with us. ”
