# Coach's Comments

“ Our game set is shifted back a bit this week with the Friday visit to Nottingham and then back home Saturday against Coventry. The home game will be an important landmark for us after Sunday where we were unable to get the game in as a result of an ice issue. This organisation is very sorry to all who were impacted by the turn of events. Spectrum has taken steps to get that sorted, and as far as we know we are all set for getting back out there on Saturday night. We felt good about our trip to Dundee last Saturday. The most difficult part was finding ourselves on the wrong end of the score with not a lot of time left on the clock, but in terms of play, we felt that the eventual win we secured was well justified. We played with good composure and we were able to dictate a lot of the play throughout the course of the night. Hopefully on Friday at Panthers we can continue to play a strong game at both ends of the ice, and make a good account of ourselves in our final trip to their building this season. We look forward to sharing the upcoming games with you and hope to see you in attendance on Saturday night. ”
