# Coach's Comments

“Despite falling a bit short on Sunday, that game, and the game in Cardiff, made for kind of a special weekend in terms of the club's first milestone as an Elite League member with the guarantee of a Cup Quarter Final spot. We have taken the early season as a day to day process, trying to be competitive on a regular basis, and we were not worried about whether we would put enough points on the board in September and October to be moving deeper into the Cup competition. It is a great bonus to have been able to do that, and it is a well-deserved reward for the guys we have in our room. Having said that, we have to stick with our day to day process and just try to be better each night, including a visit back to Belfast on Friday before getting back here Sunday night when Manchester Storm make their first stop. We should take a moment to thank the Supporters club for the Race Night evening on Monday. It was a great night and a great chance for our players to mingle with supporters away from the rink. We had a great time and we hope everyone who attended did also. We look forward to getting back on the ice for the upcoming games, and we hope all of you enjoy the weekend ahead.”
