Coach's Comments

“ The weekend ahead will be a stiff test for more than just the opposition. It is our first effort at a long distance Scottish trip where we have all day travel to get there, and then return travel overnight to get back to Spectrum at 6 or 7 a.m. to play another game within 12 hours or so. It is as much a mental challenge as a physical one, and something we are going to have to try to overcome if we are hoping to have success against Dundee Stars. We used to do this regularly when we shared the same league with our Scottish counterparts, but we may have forgotten how difficult this can be. At the same time, we have an enthusiastic group in our dressing room. I know they will do everything they can to focus on the games, and not the travel factors involved with this particular set of matches. Last weekend was a great result on home ice to get a win against table topping Manchester Storm. They have a good team, and we were fortunate to get some good bounces early to build a lead that was always going to be difficult to overcome. If you were on hand to watch we hope you enjoyed the match, and we hope to see you here again Sunday as we share our continuing schedule with you. ”
